

IEEE ANTS is a premier IEEE conference on advanced networking and telecommunications topics. IEEE ANTS is financially and technically supported by IEEE Communications Society. The distinguishing characteristic of IEEE ANTS is the promotion of an intense dialogue between academia and industry to bridge the gap between academic research, industry initiatives, and governmental policies. This is fostered through panel discussions, keynotes, invited talks, and industry exhibits, where academia is exposed to state-of-the-practice and results from trials and interoperability experiments. The industry, in turn, benefits from exposure to leading-edge research as well as an opportunity to communicate and collaborate with academic researchers regarding practical problems. This year the theme is “**Ubiquitous Digital Connectivity and Economic Prosperity for All**”. IEEE ANTS 2021 will be held at IDRBT, Hyderabad, India. The theme of the conference will foster an environment for deliberating on different research aspects on the said topic.

CALL FOR TUTORIAL PROPOSALS

IMPORTANT DATES:

Main Conference Track:

Paper Submission: 15-07-2021

Notification: 01-09-2021

Final Submission: 30-09-2021

Call for Workshops:

Paper Submission: 10-08-2021

Notification: 01-09-2021

Call for Tutorials:

Paper Submission: 10-08-2021

Notification: 20-08-2021

Early Career Research Forum (minimum 2 pages):

Paper Submission: 10-08-2021

Notification: 30-08-2021

FEATURING:

Women in Engineering (WiE)

Mini Conference: Panels, Keynotes, Tutorials and Technical Track (find a separate track for submission on EDAS). The first author must be female, and the presenter must be female. Submission date is the same as the Main Conference Track.

Industry/Start-ups Showcase:

Please check the details on the conference website.

For more information visit website:

<https://ants2021.ieee-comsoc-ants.org/>

Proposals are solicited from domain experts for Tutorials to be held in conjunction with the main technical program of the 15th IEEE International Conference on Advanced Networks and Telecommunications (IEEE ANTS 2021). The IEEE ANTS 2021 Tutorial Program is intended to disseminate information to conference attendees on current topics directly relevant to the conference theme, networking and communication technologies for realizing the theme “Ubiquitous Digital Connectivity and Economic Prosperity for All” (a list of areas/topics of interest can be found in the Call for Papers). Proposals must provide an in-depth survey of a chosen topic with the option of describing a piece of work in detail and a meaningful summary of open issues in the topic. Proposed tutorials should be comprehensive, informative, and appealing to ANTS 2021 attendees. The selected tutorials will be held on the first day of conference (Dec 13). All tutorials will be featured prominently in the conference program. Each tutorial will be for 3 hours with a half hour break. Tutorial instructors must make a commitment to prepare the tutorial materials (e.g., slides) reflecting high quality standards.

Tutorial Proposal Format

The proposal (maximum 5 pages) should concisely and clearly describe the content and objectives of the tutorial, and must include:

1. Title of the tutorial;
2. Abstract, objectives, and motivation;
3. Timeliness and intended audience;
4. Name, affiliation, and a short biography of each tutorial speaker;
5. A description of the technical issues that the tutorial will address, emphasizing its timeliness;
6. An outline of the tutorial content, including its tentative schedule;
7. If appropriate, a description of the past/relevant experience of the speaker(s) on the topic of the tutorial;
8. A description of previous tutorial experience of the speaker(s), if any. Mention the title, venue and year of conducting the tutorial sessions;
9. State if a similar tutorial has been offered in any recent conference and how the proposed tutorial differs.

Proposals should be submitted in a single PDF file, not exceeding five pages, for review through EDAS link:
<https://edas.info/newPaper.php?c=28374>

Tutorial Proposal Submission Timelines

Proposal Deadline: **Aug 10, 2021**

Notification of Selection: **August 20, 2021**

Contacts

Please direct ANTS 2021 tutorial-related questions to the tutorial Co-Chairs:

G Geetha Kumari (geetha@hyderabad.bits-pilani.ac.in)

Praveen Tammana (praveent@iith.ac.in)

Suchetana Chakraborty (suchetana@iitg.ac.in)

Abdelaali Chaoub (chaoub@ieee.org)

ORGANIZING COMMITTEE

General Chair: Prof. V. Radha, IDRBT Hyderabad

Co-General Chair: Prof. T. Rama Rao, SRMIST

Technical Program Chair: Prof. Neminath Hubballi, Indian Institute of Technology Indore

Technical Program Co-chairs:

- Prof. Sushanta Karmakar, Indian Institute of Technology Guwahati
- Prof. Noor Mohammad SK, Indian Institute of Information Technology Kanchipuram
- Prof. Sameer Kulkarni, Indian Institute of Technology Gandhinagar

SPONSORSHIP

To sustain the quality of IEEE ANTS that the ANTS community and the IEEE communication society have been able to establish thus far, we greatly depend on financial support from reputed organizations. IEEE ANTS provides sponsors an opportunity to showcase their organization capabilities to researchers and engineers from all over the world. For more details about sponsorship, please visit conference website or contact Dr. Sudhir Dixit at sudhir.dixit@ieee.org
